

The Original Line of Cooler Care Products

303 Cooler Guard

Evaporative Cooler Water Treatment

- Stops cooler odors
- Materially reduces the amount of calcium, mineral, and rust deposits which normally form during cooler operation.
- Improves cooler efficiency by keeping your pads cleaner and by insuring maximum water absorption by all pad fibers.

300 Submarine Sealer

- Stops rust and corrosion
- Repairs leaks
- Easy to apply with brush, roller or cloth
- Adheres to nearly any surface
- Follow label directions for proper use
- Water Based
